May 1, 2017

Dear Parents/Students:

The Watertown School District will again require that all student-athletes have a physical on file in the Activities Office at Watertown High School in order to participate in any athletic program in grades 7-12. A student-athlete physical is good for three years from the date of the physical. With that being said, it is recommended that a student-athlete have a physical completed prior to the start of their 7th grade year and again prior to the start of their 10th grade year to fulfill the three year requirement of the athletic physical.

Parents/Guardians of student-athletes will need to fill out the South Dakota High School Activities Association (SDHSAA) Initial Pre-Participation History Form prior to the student-athletes' doctor appointment. This two-sided document, along with the SDHSAA Physical Examination Form, can be accessed on the Watertown Intermediate School, Watertown Middle School, and Watertown High School websites.

All completed physical and history forms must be delivered, sent, or faxed to the Watertown High School Activities Office prior to the start of an athletic season. Please **do not** deliver or send the completed physical and history forms to the Watertown Intermediate School or the Watertown Middle School. We would encourage the students to make an appointment at their clinic to complete this requirement as soon as possible after May 1, so there will not be a rush when the athletic practices start in August 2016.

If you have any questions, please contact Steve Moore or Tammy Neale in the Activities Office at Watertown High School. Our office phone number is (605) 882-6328.

Thank you,

Steve Moore
Activities Director
